

CALIFORNIA WATERFOWL

Waterfowl | Wetlands | Hunting | Education | Advocacy
We envision a California with thriving waterfowl populations, vibrant wetland ecosystems and respected hunting communities.

In response to public health officials' recommendations concerning non-essential gatherings during the COVID-19 outbreak, we are **postponing the Davis/Dixon Aggies Event at the Dixon May Fair that was scheduled for March 21st. It is tentatively rescheduled for Saturday, June 27, 2020.**

While we all look forward to seeing old friends at this annual event - and the banquet provides crucial funding for the work that CWA does for waterfowl, wetlands and hunting - the health and safety of our members, supporters, volunteers and staff is paramount.

We apologize for any inconvenience this causes. The committee will be in contact with anyone who has purchased tickets or made a donation. Refunds will be available for those who have a scheduling conflict with June 27th. Otherwise, your existing ticket order/donation will be applied to the newly scheduled date.

Please contact Matt Wilkerson at 707-624-6741 to discuss.

If you'd like to talk with anyone at CWA about our decision, please feel free to contact Scott Mueller, Vice President for Fund and Membership Development, at 916-648-1406 ext. 142 or smueller@calwaterfowl.org.

We look forward to seeing you as soon as we can at an upcoming California Waterfowl event.
