O. OTHER INFORMATION

1. **Disposition of Proposals**

All materials submitted in response to this IFB will become the property of the 36th DAA. All proposals shall be available for public inspection at the announcement of intent to award. If an individual requests copies of these documents, the 36th DAA will assess a fee to cover duplicating costs. Documents may be returned only at the 36th DAA's option and at the bidder's expense. One copy of each bidder's proposal shall be retained for official 36th DAA files.

2. **Confidentiality of Proposals**

The 36th DAA will hold the contents of all bids in confidence until issuance of the **Notice of the Proposed Award**; once issued and posted no proposal will be treated as confidential. However, if a bidder maintains that certain information is proprietary, all proprietary or other legally protected material must be identified at the time of submitting the proposal to retain the claim of confidentiality.

The materials may be used by the 36th DAA to justify the awarding or not awarding of a contract if a protest is filed. The 36th DAA will not be liable for inadvertently releasing confidential materials although the 36th DAA will use the best efforts to prevent the release of said material.

3. **Modification or Withdrawal of Proposals**

Any bid which is received by the 36th DAA before the time and date set for receipt of proposals may be withdrawn or modified by written request of the bidder. However, in order to be considered, the modified bid must be received by the time and date set for receipt of proposals in Section C.

A bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be "timed" to expire on a specific date. For example, a statement similar to "This proposal and the cost estimate are valid for sixty (60) days" is non-responsive to the IFB.

4. **Modifications by the 36th DAA**

Modifications by the 36th DAA, if any, will be made in writing by way of addendum issued pursuant to the paragraph below. Clarifications, if issued, will be given by written notice to all parties to whom the 36th DAA had sent notice of the RFP and to persons or entity who have requested to be given notice of any modification or notices.

If necessary, the 36th DAA will modify the IFB prior to the date set for submission of final proposals, by issuance of an addendum to all parties who have been furnished notice of the IFB for bidding purposes. **All bidders should inquire from the contact person listed on the cover sheet whether any addenda have been issued prior to submitting a bid in response to the IFB.**
