

I am waiting for my turn to ride the train.

I am waiting my turn to get food.

I am waiting to enter the Dixon May Fair

I am waiting for my turn on this ride.

I am waiting for my turn to enter this area.

I am waiting for my turn to use bathroom

For the Dixon May Fair

Wait Cards

Waiting can be difficult to understand. A wait card is a hand-held visual aid that helps to remind a person (of any age) of the reasons for the wait. Cards can be held by families or individuals while waiting for a turn, waiting for food orders, or waiting to enter a new space. These cards can be printed and wrapped in clear tape for the protection and all day fair use.
